RE: Work Intergrated Learning or Industrial Exposure

TO WHOM IT MAY CONCERN Dear Sir/Madam,

The letter certify that Chauke CC (student number 218049799) is a potential graduate for National Diploma in IT: Software Development from the Tshwane University of Technology.

It is my pleasure to recommend surname and initials for a work integrated learning exposure as it is a requirement for the student to complete the diploma

The major fields of study in this diploma are:

- * Software Testing
- * Mobile Development
- * Mobile Development
- * Software Testing

For the experiential training to add value to the student, we suggest that the students be assigned tasks and responsibilities that are aligned to the field of study. it is to be noted that the above mentioned fields of studies are only a guideline in this regard, any other information Technology(IT) oriented projects and task may also be accepted.

The duration of the industry exposure should be a minimum of 6 months.

The student has consistently demonstrated an ability to rise to any xhallenges that she contact me using the information on this letter head.

Your co-operation is highly valued
